## WITH SAFETY

### Our Commitment to our Guests.

Warm greetings from Santanna Mykonos.

We would like to thank you for your continued loyalty and trust in us. Our commitment and responsibility towards you have never been stronger as we welcome you to Greece, one of the safest holiday destinations in the world during the COVID-19 global pandemic.

At Santanna, we care about the experience of every single guest that enters our establishments and our sole purpose, as always, is your wellbeing, and peace of mind.

Located in a country that has dealt with the pandemic in an exemplary way, we feel we have the experience and processes to create a safe-haven for our valued guests.

### Our Action Plan

Considering the rapidly evolving COVID-19 (Coronavirus) situation, Santanna Mykonos has been effecting serious standards for hygiene and cleanliness, as well as many additional steps to ensure that the safety of our guests and our staff members is absolute.

Santanna has set-up procedures to follow the guidelines of the local health authorities. We have adopted all the published standard recommendations and are following all authority regulations including hand and respiratory hygiene, surface sanitation, and safe food practices. All our teams and staff members are adhering to the latest guidance and hygiene protocols.

We continually monitor the situation closely to ensure the safety of each one of you; we will keep updating this communication regularly.
